Dear Claimant:

Thanks for the claim that you submitted to the Idaho Department of Water Resources (IDWR) Northern Region office. Your claim has been assigned number 95-11900. Additional information is needed from you before IDWR can complete claim processing and make a recommendation to the Court for the Northern Idaho Adjudication.

Your claim states that there are two homes. The attached map from IDWR's mapping system shows the legal description for your two tax parcels and the date '1948' for the current residence on parcel 53N04W-07-8300. The 1948 date was provided to IDWR by Kootenai County. There is no date shown for a home on parcel 53N04W-07-7605. A date should appear for 53N04W-07-7605 if there is a home on the property. The information available to IDWR indicates that your claim should be for one home.

Please contact me at the IDWR Northern Region office to discuss your claim. It will be helpful if you have information on your Ram pumps, legal descriptions and information about the home(s) on your property, and information about when your home(s) were connected to the water system, on hand during our phone conversation. I also need to get the correct spelling for the individual who has signed the claim.

I can be reached via telephone at (208) 762.2800. Please note that our IDWR office in Coeur d'Alene has moved from Northwest Avenue to the address shown above.

Respectfully,

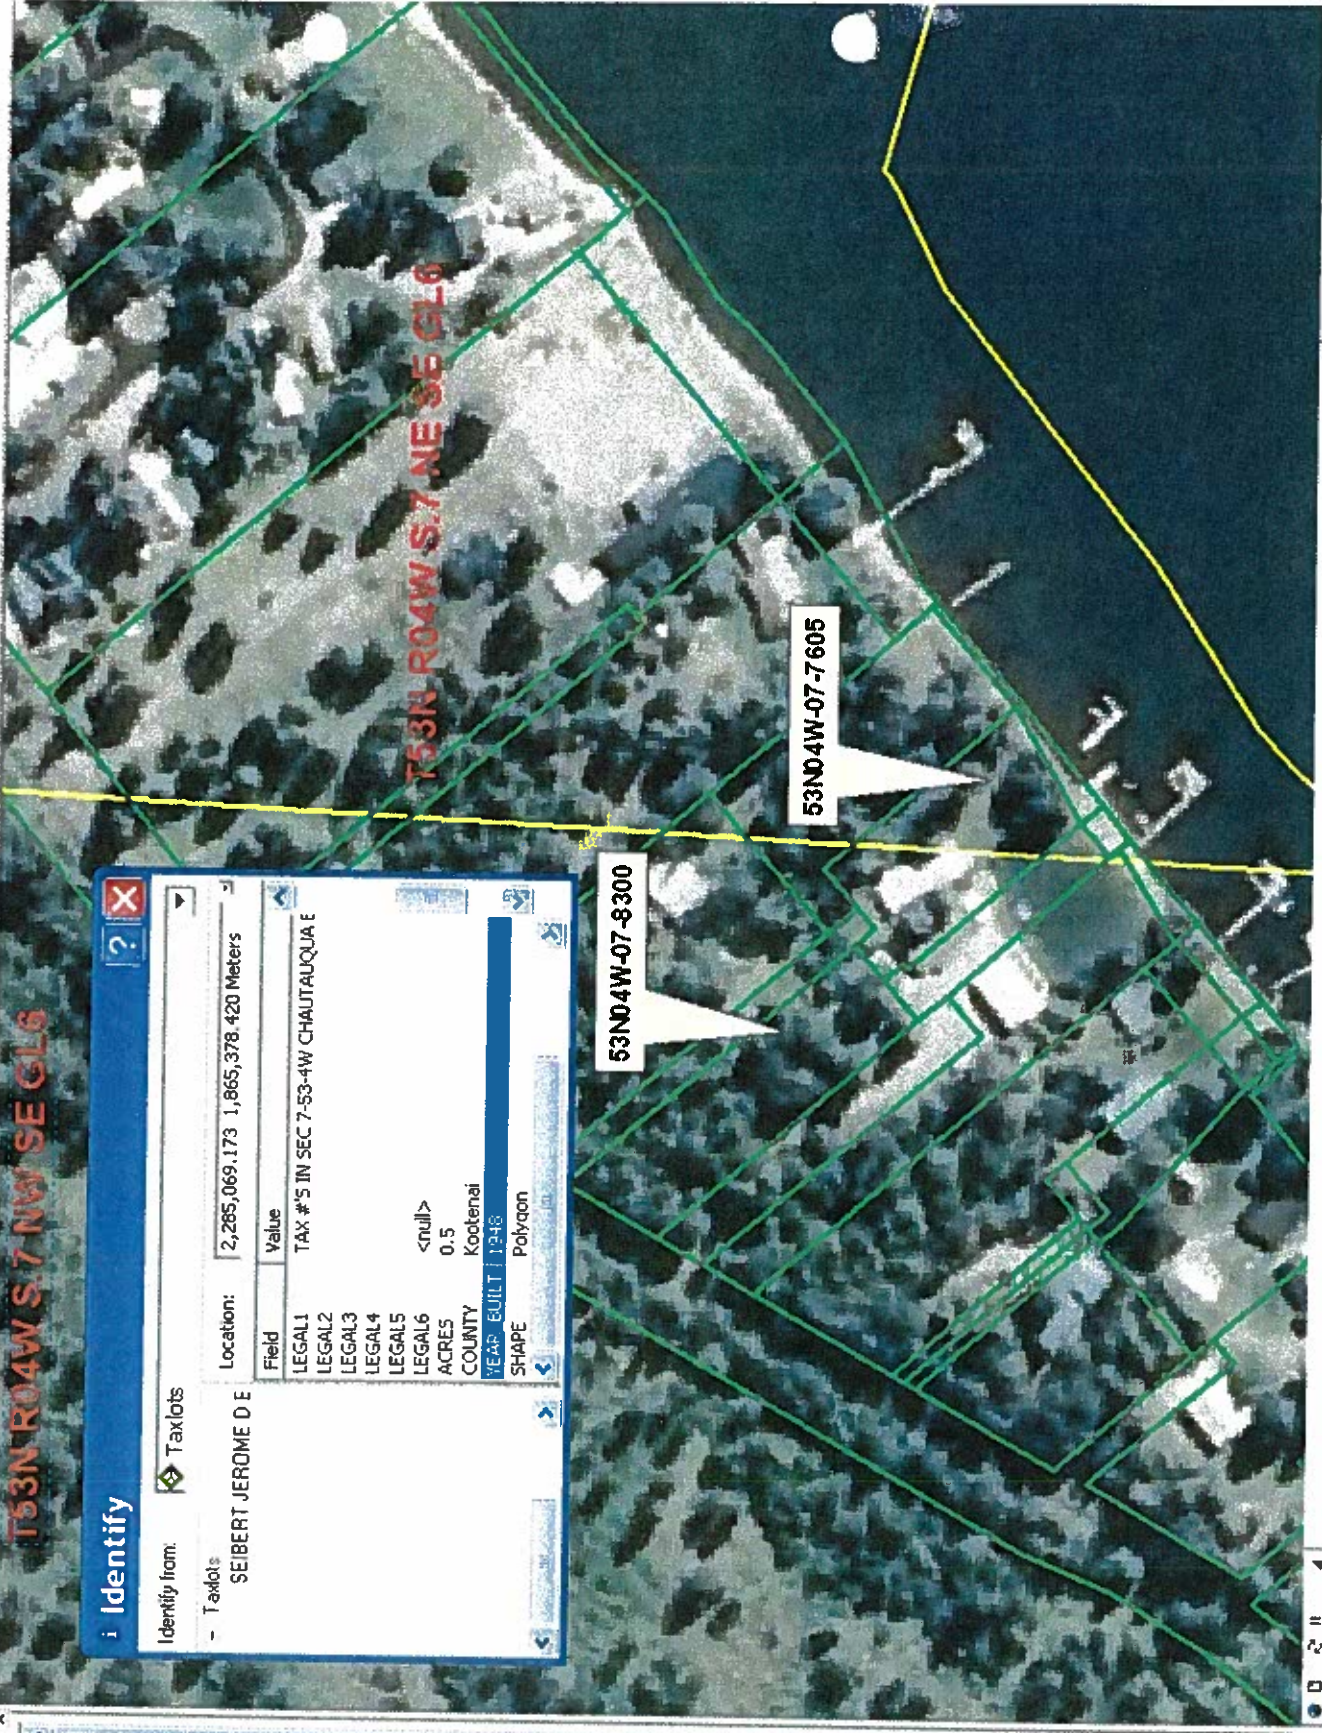

Shaun M. Maxey
