RE: Snake River Basin Adjudication (SRBA) Claims in Basin 78

Dear Mr. Farrell:

Enclosed are copies of the claims Charles Farrell filed in the SRBA in Basin 78. I have attached GIS maps showing my attempt to outline the irrigated acres in the place of use for the claims that may not have enough acres claimed to adequately cover the total number of acres being irrigated with those rights.

Claim No. 78-201, which was jointly claimed by Charles Farrell and Carolyn Farrell, will be split into two claims (78-12238 and 78-12239) because Carolyn Farrell also claimed a partially overlapping beneficial use right for floodwater, 78-10057, for that portion of the place of use claimed for 78-201 that she owns. I have included a copy Claim No. 78-10057 for informational purposes only.

I am also requesting that you submit evidence of the priority date and historical beneficial use for Claim No. 78-10073, which is based on beneficial use rather than a decree, to this office and to my attention by January 31, 2006. I have enclosed a pamphlet that explains what is required to support a priority date for a beneficial use water right.

If you have any questions, the direct phone line to my desk is (208) 287-4917, or you may send email to Carter.Fritschle@idwr.idaho.gov.

Sincerely,
