SUBJECT: Legal description on deed for Parcel 2

Legal description is o.k. c.f. 7-12-05

In reviewing this change of ownership, it was discovered that the "starting point" for the metes and bounds description for Parcel 2 is recorded incorrectly on the deed. The actual outline of the property matches the tax lot data in ArcView and the POUs on the claims; however, the shape comes out in the wrong $\frac{1}{4}$ $\frac{1}{4}$'s.

I called Timberline Title & Escrow to let them know of the problem. They are going to review the deed and fix it as soon as possible. In the mean time, they are going to send us copies of the property tax notices, as another form of proof of ownership; in order to further process the ownership change for these claims.

Timberline Title is supposed to send the corrected deed when completed.

Ø response as of 7/22/03.

Files put back on shelf.
