Re: SRBA Water Right Nos.: 02-10192 and 02-10193

Dear Mr. Symms:

On December 20, 2010, our office sent you a Standard Form 5 settlement document with an attached water right recommendation for water right 02-10193. After receiving that letter, you contacted me with some questions regarding this right, and I directed you to Senior Water Rights Agent, Jan Shurte. It is my understanding that the two of you have exchanged e-mails, and Ms. Shurte has answered your questions.

Also during the same exchange with Ms. Shurte, it was determined that in order to acquire water right 02-10192 in your name, you will need to submit a completed change of ownership form, the fee in the amount of \$125.00, and a warranty deed substantiating the land purchase.

Please return the signed SF5 and change of ownership documents to my attention so that the Department can process them accordingly. If, however, you still have questions concerning these water rights, please contact Ms. Shurte at (208)334-2190.

Thank you for your cooperation in this matter.

Sincerely,

A handwritten signature in black ink that reads "Renea Ridgeway".
