Dear Claimant:

Thanks for the claim information that you provided to the Idaho Department of Water Resources (IDWR) Northern Region office. Additional information is needed so that IDWR can determine the location and identity of your well and make an accurate recommendation to the Court.

Please contact me after you have reviewed the enclosed photocopy of your claim, your evidence from Virginia Lindsay about a well, and the 1983 Judy R. Lindsay Well Driller's Report. I have also enclosed a map showing the area where your property should be located. Please mark the location of your well with a dark 'X' labeled 'WELL' and your home circled and labeled 'HOME' on the attached aerial photo. The marked map should be returned to me at the IDWR Northern Region office at the address shown above.

I can be contacted at (208) 762.2800 if you have any questions. Please note that the Coeur d'Alene IDWR Northern Region office has moved from our former location on Northwest Avenue to the address shown above.

Respectfully,

Shaun M. Maxey
