In Re SRBA

Case No. 39576

Subcase No. 47-15262

STIPULATION

This Stipulation is entered into this 14th day of April, 2011, by and between Robert & Kathi Meyers Ltd. Family Partnership ("Meyers") and Pamela J. Christiansen, by and through her attorney-of-fact Brandon L. Christiansen (collectively "Christiansen"). The purpose of this Stipulation is to avoid the need for a hearing on the *Motion to Alter or Amend Special Master Recommendation for Partial Decree* or the *Motion to File Late Objection* filed with the Court on January 28, 2011 by the Meyers in Subcase No. 47-15262 (collectively the "Pending Meyers Motions"), and to allow the Idaho Department of Water Resources (the "Department") the opportunity to review its recommendations for claimed water right nos. 47-15262 (claimed by Christiansen) and 47-2137 (claimed by Meyers) to address the Meyers' and Christiansen's concerns regarding the alleged "stacking" of the their claimed water rights.

Meyers and Christensen hereby stipulate and agree as follows:

1. Subject to paragraph 2 below, Christensen does not oppose the Pending Meyers Motions, and the hearing on the Pending Meyers Motions currently set for April 21, 2011 may be vacated; and
2. This Stipulation is subject to the Christiansen's and Meyers' expectation that the Department will be directed by the Court to meet and confer with them concerning water right claim nos. 47-2137 and 47-15262 and thereafter file appropriate amended director's reports for the rights, and further that neither Meyers nor Christiansen waive their right to object to the Department's recommendation as amended or originally presented to the Court or to seek any other relief with respect to the above water right claims permitted by SRBA Administrative Order 1 or the Idaho Rules of Civil Procedure.
