To Whom It May Concern:

I, Milton Snow, hereby attest the following concerning the property at 6442 Thirteen Hundred Road:

1. My wife's mother, Mrs. Elsie Elizabeth Philbie, purchased the property in 1948. At that time the current well was in operation providing **domestic water** for the house. The well is located in a root cellar constructed at the same time as the house, in 1905. To the best of my knowledge, the well has served the property and house since that date.

Sincerely,

A handwritten signature in black ink that reads "Milton R. Snow". The signature is written in a cursive style with a long horizontal flourish at the end.
