

Affidavit in Support of Claim for Water Rights

State of Washington
County of Spokane

BEFORE ME, the undersigned Notary Brice Allen Logan

On this 21st day of April, 2010, personally appeared Alice Jeanne McGregor, known to me to be a creditable person and of lawful age, who be by me first duly sworn on her oath, deposes and says:

From my own personal knowledge my father Joseph Peirone, in 1958 purchased a lake home situated on Lots 20 & 21 located in T50 N R 4W Sec. 27 NWNE Casco Bay and used the water from a spring located on the property for household use and also pumped water from Lake Coeur d'Alene for domestic use and lawn watering since that time.

In 1983 Joseph Peirone deeded to myself and my brother, James Peirone, the aforementioned land, and the water continued to be used in the same manner.

In 2002, I purchased my brother's interest and have used the water in the same manner since that time.

In 2008 I formed the McGregor Family LLC and the aforementioned property was transferred to the McGregor Family LLC, and the water has been used in the same manner since that time.

Of my own personal knowledge I can state that the water from the spring and the lake pump has been continuously used for domestic purposes from 1958 until the present.
