To Shaun Maxey,

Dear Sir:

My name is DALE DAMIANO and I have been a resident of Harrison Idaho since 1948. During this time I have had the opportunity to work in the woods and hunt extensively in the area surrounding Harrison Idaho. I am aware of the property owned by Powderhorn Land and Cattle Corp. I am also aware of three stock ponds located on that property including:

One located north of the main log house.

A second pond located north of their barns and south west of the main log house.

A third located east of the main log house on property formerly owned by Wilson and before him Mr. Fisher.

Those stock ponds all were in existence in the 11/1/1960 (AFF) 1960's and still exist to this date.

I do solemnly swear or affirm under penalty of perjury that the statements contained in the forgoing document are true and correct.
