

AFFADAVIT

I have been unable to locate any well records from the Idaho Department of Water resources (IDWR) and from United Crown drilling concerning the well on my property (Tax PIN P-7050-30-041-AB). Pioneer Title Company says that the home I now own was built in 1983. I believe the well was completed in 1982.

A handwritten signature in black ink, appearing to read "Ken G. Wolkenhauer", with a long horizontal flourish extending to the right.
