RE: Coeur d'Alene-Spokane River Basin Adjudication claim #95-14394 Insufficient Filing Fees
Coeur d'Alene-Spokane River Basin Adjudication claim 95-14394 Violation of the Mandatory
Permit Statute

Dear Claimants:

The Idaho Department of Water Resources (IDWR) is currently in the process of reviewing adjudication claims in your area. Initial review of your claim indicates the priority date claimed is in violation of the Mandatory Permit Statute for the water source and purpose of use claimed. We received \$50 in claim fees under receipt #N021326. The total claim fee for your claim is \$65.

The permit system for establishing a water right became mandatory for uses developed from ground water after March 25, 1963 (except for domestic purposes as defined by Section 42-111, Idaho Code)

The priority date claimed indicates that use of water for the purposes claimed began after March 25, 1963, for ground water. Because a water right was not previously established under the permit system, an "Application for Permit" form should be filed instead of this claim. The adjudication claim fee you paid can be applied to the fee for the application for permit.

Before we can proceed, the balance of fees due in the amount of \$65 is required. The \$50 from receipt #N021326 is a partial payment for Adjudication claim #95-14392. If we do not receive the filing fees within 30 days, your claim will be returned to you.

Upon receipt of the balance of the filing fees, your Notice of Claim will be investigated and reported to the Court in a future supplemental Directors Report.

For your convenience, I am enclosing an Application for Permit form and a Withdrawal of Claim form. Please do not hesitate to contact this office if you have any questions or concerns.

Sincerely,

Chad H. Goodwin

Senior Water Resources Agent
