RE: Service Check Water System
113 Geronimo
Indian Creek Ranches Lot 67

To Whom It May Concern:

On May 1, 2006 we conducted a service check of the water system located at 113 Geronimo, Blaine County, Idaho.

The water system consists of a Berkeley 4AM19 1 horsepower submersible pump installed May 27, 1981 and a Well-X-Trol # 251 pressure tank installed December 12, 2001.

The readings on the pump are within factory specifications. The pressure tank checked okay.

A bacteriological sample was taken. Results are enclosed.

Please call if you have any questions.

Sincerely,
WALKER WATER SYSTEMS, INC.
