Dear Mr. Goodwin:

Enclosed is my completed "Notice of Claim To A Water Right" together with a photocopy. Please sign the photocopy with date of receipt and return to me so I will have a record for my files.

Also, enclosed is my check for \$25.00 in payment of the fee.

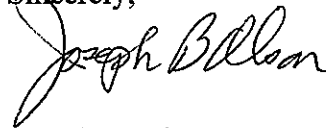

I note that this form, which you sent me, is for the Fifth Judicial District in and for the County of Twin Falls. Since my property is on Coeur d' Alene Lake in Kootenai County, does this make any difference?

Also, my original water claim filing was in my name (Joseph B. Olson). The property, and water use, is community property with my wife. We now have the property in a revocable trust, The J. Olson Trust, of which we are both trustees, with successor trustees (our children) in the event of death or incapacity since we are now of advanced age. Does this make any difference? Legally, since the trust is revocable until our deaths, it is the same as if it was in our individual names.

Please let me know the answers to my questions.

Thank you for your assistance.

Sincerely,

A handwritten signature in black ink, appearing to read "Joseph B. Olson", written over a horizontal line.

Joseph B. Olson
