See file 63-2449 for book submitted by Chris Meyer on 1/30/2008. This book contains requested additional information in support of SRBA claims. The book has also been scanned and attached to the City's claims that were objected to.

File 63-2449 also contains some maps that were submitted that are too large to scan.

Kay,

Thank you for the update on the City of Nampa's objections. I'm attaching a shapefile of the City of Nampa domestic wells. If you open the attribute table you can see the wells that have GPS points versus those I digitized. Let me know if I can help in any other way.

Thanks again!
