RE: Water rights filing for property owned by William B. Booth
Located at 201 Crescent Drive, Pritchard, ID 83873
Legal description: Lot 4, Sec. 29, tw. 50N. R4E, Coeur d'Alene River Cabin Sites

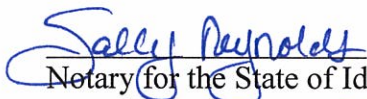

- (1) Installation date: The well was installed by Babin Construction, Pritchard Idaho during the period 1975-1980 according to Richard Babin, son of Lloyd Babin who owned Babin Construction (see attachment 1). When I moved on the property in 1992, the well was in operation, but the pump and pressure tank were worn out so I hired Lloyd Babin to upgrade the system. Lloyd confirmed to me that he had installed the original system to accommodate a trailer house residence in the 1970's. Lloyd has since passed away.
- (2) Location: See attachment 2 for the approximate location of the well on the property.

 subject re: the well

During the period from 1975-1980, Babin Construction installed most of the wells on Crescent Dr., Prichard, Idaho. To the best of my knowledge, we installed the well on the Booth property.
