H. Dean & Claudia A. Shick
PO Box 64
Santa, Idaho 83866

Dear Dean & Claudia,

Enclosed you will find the necessary paperwork for the primary underground and secondary underground power installation to your home site off Pokey Creek Road. The "Member's Checklist" provides you with a list of requirements before construction can begin.

After I receive this paperwork back, I will issue the work order to our Potlatch crew to be scheduled with you for construction and the ditch.

If you have any questions regarding this paperwork, feel free to call me at my office 1-888-743-1501 ext. 225 or (208) 798-5225; Mon.-Thurs. 7:00am to 5:30pm.

Sincerely,

CLEARWATER POWER COMPANY
