RE: Water Right No. 63-4614

Dear Ms. Keene:

My office represents the Caldwell School District No. 132, the holder of the above referenced water right. A Director's Report was issued for this water right in December 2006. In that report, the point of diversion and place of use of the water right were incorrectly stated. The Director's Report listed the point of diversion and place of use as NENW T4N, RO3W Section 34, Canyon County. The point of diversion and place of use is in fact SENW T4N, RO3W Section 34, Canyon County.

In order to begin the process of correcting this error, please consider this as a written submission of mistake, as your office recommended. A copy of the affected sections of the Director's Report is enclosed. Please advise as to how to proceed in correcting this matter.

Sincerely,

WHITE PETERSON, P.A.
