Re: Subcase Nos. 2-2168 and 2-2203

Dear Mr. Teunissen:

Enclosed please find the original documents entitled "Standard Form 5 – Stipulated Elements of a Water Right" (commonly referred to as SF 5) for the above referenced subcase nos. for Basin 02.

Please sign and/or initial as directed next to the yellow sticky tabs and then return the entire packet to my attention. A self addressed stamped envelope has been enclosed for your convenience. I will ensure that the remaining signatures are collected and that the fully executed documents are filed with the Court.

If the documents are not received **on or before May 31, 2011**, the Department will request that the Court set a status conference so that the parties may explain to the Court any outstanding issues with these two water rights.

Thank you for your cooperation in this matter.

Sincerely,

A handwritten signature in cursive script that reads "Renea Ridgeway".
