

AMENDED DIRECTOR'S REPORT

Subcase No. 74-950

In Re SRBA

Twin Falls County Civil Case No. 39576

Report to the SRBA District Court

Prepared by the Idaho Department of Water Resources
Gary Spackman, Interim Director
Carter Fritschle, Manager, Adjudication Section

May 16, 2011

DESCRIPTIVE SUMMARY

This is an Amended Director's Report submitted by the Director of the Idaho Department of Water Resources (IDWR).

DISCUSSION

Water right 74-950 was claimed by Kent and Lisa Bird in the SRBA and reported to the Court in Director's Report for Irrigation and Other Water Rights, Reporting Areas 23, IDWR Basin 74 filed on January 23, 2006. The recommendation of the right was uncontested, and on March 7, 2011, a Special Master Report (SMR) was issued. It has come to IDWR's attention that the right was incorrectly recommended without a tributary listed under the source element. The subsequent SMR is also missing the tributary information. At the request of the Court, the Director submits for filing an Amended Director's Report for the aforementioned subcase to rectify the error.

Respectfully submitted this 16th day of May, 2011.

CARTER FRITSCHLE
Manager, Adjudication Section

05/12/2011
