WATER RESOURCES
WESTERN REGION

Dear Ms. Hatfield:

I am so sorry this has taken me so long to get back to you regarding your letter of Sept. 11, 2002.
As per our phone conversation at the end of Sept. I am now addressing the issue of the water right 78-4275.

There are several changes that need to be made as follows.

LOYAL CAMPBELL 5% TO RODNEY D AND DARLA H JOHNSON=5%
DONALD AND SOTERA BRANSTETTER 1.6% TO C H PROPERTIES, LLC=1.6%
STEVE CAMPBELL 10% TO WOODROW BARSTAD=10%
ROLLIE CAMPBELL 10% TO DAVID CAMPBELL or JEAN CAMPBELL= 8.8% and ALLEN CAMPBELL= 1.2%
CHARLES OR NITA BRANSTETTER 4.8% TO NITA BRANSTETTER TRUST=4.8%

Also, the statement that Charlotte Armacost's 3% share equals 21 AF. is not correct in that we do not designate the water in acre feet as the water is different each year and what is apportioned out is delivered as percentages. We feel that if the water is really short one year then the claimant might request the full 21 AF when in fact it should be only 10 acre feet.

I am notifying the users that the above corrections have been made but that they need to contact you in the near future to see if it has been done to their satisfaction.

When these changes have been made, please forward to us a copy of the corrected claim.

If you have any questions, please feel free to contact me at PH. 208-347-2374 or P O Box 175, New Meadows, ID 83654.

Sincerely,

Nita Branstetter,
Secretary/Treasurer

28 tinuing to date hereof said reservoir has been used by the under-

RE: Water Right No. 78-267, 78-268, 78-10773, 78-4275 & 78-4006A

Dear Ms. Armacost:

The Department has received your letter concerning the above referenced claims, and the Notice of Change of Water Right Ownership received in January of 2002 (copy enclosed). I have enclosed copies of claim numbers 78-267, 78-268 and 78-10773 in which are currently in your name.

In reference to claim numbers 78-4006A and 78-4275, our records indicate that the Ownership Change was returned due to questions the Department had concerning the Warranty Deed and chain of title. A copy of this letter, dated September 18, 2002 is also enclosed. These files have been submitted for another review of the documentation, by one of our Water Resource Agents. This office will be in contact with you in the future if any further information is needed.

Thank you for your patience and cooperation, as we have several water right changes to process. If you have any questions regarding this letter, feel free to contact this office at (208) 334-2190.

Sincerely,

Re: Notice of Claim to a Water Right No. 78-2037, 78-4288 & 78-10235

Dear Claimant(s):

Enclosed is a copy of the above referenced claim(s), which reflects the necessary name changes for the land and appurtenant water rights, covered under the original filing.

The Department will contact you in the future concerning any requirements that may be needed in order to process these claims for final court decree.

At this time, we are unable to change the ownership on claim numbers 78-4006A and 78-04006B. The Warranty Deed submitted indicates a property transfer from Donald Leroy and Sotera Branstetter into your names. However, these particular claims, are in the name of Goose Lake Reservoir Co. We are also not able to change claim number 78-4275 at this time, due to the same reason. This claim is still in the name of Granite Twin Lakes Water Users.

If you have additional information for this property transfer, such as a chain of title, or tax notice in your name(s) which includes a description of the property by $\frac{1}{4}$ Section, Township and Range covered on these claims, we may be able to complete these ownership changes.

Thank you for your patience and cooperation, as we have had several water right changes to process. If you have any questions concerning the enclosed claim, please feel free to contact this office.

Sincerely,

MEMEORANDUM

Date: March 13, 2002

From: Craig L. Saxton

Subject: Request for C/O for 78-04275

Supplied deed indicates that C.H. Properties LLC retained 4.5 inches from Donald or Sotera Branstetter's original 1.6%. I don't know what the original 1.6% amounted to in inches.

This Memo goes in file to indicate partial ownership of the right, but cannot change the name on the SRBA claim since there is no chain of title from Granite Twin Lake Water Users to C.H. Properties LLC.

File for Claim No. A78-04275

MICROFILMED

SUBJECT

Discrepancies in Claims from what was data entered. OCT 06 1992

On 6/3/89 Claim No. A78-04275 was entered to show 3,414 acres & certain percentages in the remarks. Then, on 6/6/89 Nita B. called Carter F. to have him change the percentages & send her a copy to have Steve Campbell sign. Carter sent the ~~last~~ remark page, last sig. pg., & front page showing acreage. Somehow, as seen on the copy that Carter generated on 6/6/89, the acreage changed

SIGNATURE

to 3404. Nita has a copy dated 6/3/89
that shows 3,414 acres. So, when Steve
Campbell signed the sig. page, he thought
he was signing for 3,414 acres. Then,
the 6/6/89 copy shows certain percentages
(right ones) and the audit field showed this
was the last time anything was done on this
right. Then, on 9/27/88 another copy was
made which showed different percen-
tages. Therefore, it appears the update did
not work on 6/8/88 or 6/6/88. So, I
have corrected the claim & put it in the
file w/ the 6/6/88 signed claim. I did not get a sig.
nature because Steve
felt he was signing the claim
as it now shows. Copies sent off
claim
