On February 10, 2011, Claimant William Clementz filed a *Motion to File Late Notice of Claim* for the above-captioned water right. A hearing on the *Motion* was held on May 17, 2011. No party appeared in opposition to the *Motion*. However, at the hearing the Idaho Department of Water Resources notified the Court that Claimant needed to submit an additional \$50.00 late fee associated with the late claim. Following a review of the file and after hearing the comments made in open court, the Court finds that good cause exists for granting the instant *Motion*, provided that Claimant first submit an additional \$50.00 late fee to the Idaho Department of Water Resources.

THEREFORE, IT IS HEREBY ORDERED that the *Motion to File a Late Notice of Claim* for the above-captioned water right is **conditionally granted** subject to Claimant first submitting an additional \$50.00 payment made payable to the Idaho Department of Water Resources to account for the late claim filing fee.
