Attachment to Objection
Subcase No. 00-91013
Basin Wide Issue 13
Water Right No. 35-7488

On information (neighbor's statement) and belief, based on discarded or abandoned irrigation equipment located on the property, there is evidence to suggest the 1975 water right was in use prior to 1984.

At the present time additional verification has not been obtained; we continue to be in the process of obtaining that information with which we will supplement this objection.
