RE: Claims to Water Rights

Willowbrook Development Inc.
ATTN: Richard Phillips
210 Murray St.
Boise, ID 83714

*no response -
1/5/98 - kw*

Dear Mr. Phillips:

Enclosed is a response to your request for search for water rights on the properties you have purchased under the warranty deeds you submitted on September 25, 1995.

In a review of the warranty deeds, I found that we do not have a deed that covers the land in the E $\frac{1}{2}$ SW $\frac{1}{4}$ NW $\frac{1}{4}$, Sec. 28, Twp. 5N, Rge. 1W. This land has been claimed under No. A63-07131 in the SRBA (Snake River Basin Adjudication), and we cannot change the ownership of this property to Willowbrook Development unless you can provide proof of ownership. If you do not own this 20 acres we will have to split Claim A63-07131 into A63-07131A (Hills-Dale) and A63-07131B (Willowbrook) to show the different owners. I have included a copy of the Hillsdale plat that you submitted with the lands identified in your warranty deed, under Parcels I and II, marked for your information. Please let me know how to proceed in regard to this matter.

I have also platted the lands identified in your deeds from Martin and Montierth, et al., and conducted a search of any water rights that may be appurtenant to the properties. I have enclosed Notice of Change of Water Right Ownership forms which will allow us to update the ownership of the properties on the claims submitted in the SRBA. I had to request copies of the deeds on the property you purchased from Martins, back to 1977, to make sure that we had enough information to document our files to complete the ownership change. (Claim A63-08415 was filed by Montierth, et al, but a portion of this land was sold to you by the Martins.)

I also have a question in regard to a domestic well located in the SW $\frac{1}{4}$ SW $\frac{1}{4}$ SW $\frac{1}{4}$, Sec. 25, Twp. 5N, Rge. 2W. This claim is currently in the names of Vanderwey and Norwest Agricultural Credit, Inc. Should this claim also be in the name of Willowbrook? I platted out the metes & bounds description on our computer but cannot tell if you purchased this well and home.

I am sorry it has taken me so long to research the properties and reply to you. Hopefully I have found all the rights involved and the enclosed ownership change forms will complete the name changes required. I have included profile reports of each of the rights that are appurtenant to the lands in question.

If you have any questions in regard to any of these claims, please do not hesitate to contact our office.

Sincerely,
