I Sylvan Adamson, can attest that the irrigation well for David Stattner was drilled by Scott Drilling in 1987. I witnessed the drilling as I was working with Jim Scott at the time setting pumps in wells that he drilled.

The well in question is located at legal description: Township 3N Range 3W Section 17 SE 1/4 of NW 1/4 Canyon County, Idaho.

Leaves for Extension of time

I mailed in Domestic claim for same well, But didn't know I had a water Right for irrigation from the owner who sold property. So I filed a application for permit for the 5 acres on 3/15/90 then found out 2 days ago I may have a Existing right to claim in the adjudication. The earlist I could come in was on the day after deadline as I couldn't mail it in time or get an appointment to see if in fact I had these Rights. the application will now be considered and hopefully I can get refund on application.
