Re: Field Examination and Evidence of Priority Date

Dear Claimant:

The Notice of Claim to a Water Right (claim) identified with the number shown above your name has been filed in the Snake River Basin Adjudication (SRBA). The claim indicates your water usage is based on "Beneficial Use" or a "Statutory Claim." Water rights of this type are established by the historic use of water, dating back to when water was first used for the purpose claimed, and are termed beneficial use rights.

The elements of beneficial use rights need to be verified by an examiner for the Idaho Department of Water Resources (IDWR) before the claim can be recommended to the SRBA Court. The examination of claims in your area will take place during the summer and fall of 2005. An examiner will be contacting you to schedule a time to visit your property to verify your use of the water right claimed.

Also, even though most of the elements of your claim can be verified by the field exam, the date of first use, or priority date can only be verified by documentation of the historic use. If you have not supplied documentation for the priority date and historical beneficial use of the water, please submit your evidence by September 30, 2005. Enclosed you will find a pamphlet entitled "Evidence of Priority." The pamphlet describes the types of evidence required and suggests which documents will fulfill this requirement.

**PLEASE NOTE:** IDWR will recommend the SRBA Court decree the claim disallowed if the priority date and the historic use cannot be documented. It will be to your advantage to provide clear and convincing evidence. If you choose to submit statements from individuals as evidence, the statement should be in the form of a notarized affidavit.

If you have questions not covered by this letter or the enclosed pamphlet, please contact me by phone at (208) 287-4917 or send an email to [Carter.Fritschle@idwr.idaho.gov](mailto:Carter.Fritschle@idwr.idaho.gov).

Sincerely,

Carter Fritschle
