Re. A78-04288, A78-04314A, A78-02030A

To the Idaho Department of Water Resources

I recently recieved two "Notice of Change of Water Right Ownership" forms from the attorneys for Douglas F. Manchester. They state that they had a closing date of 12/21/92 on a parcel of land in the SE $\frac{1}{4}$ SW $\frac{1}{4}$ section one, T. 19N R. 1E. My Father sold the above described parcel along with other land to Simpcoland in August of 1981. I do still own adjacent lands that I have filed SRBA claims on. He states that he owns sixteen acres in this legal description. If that is the case I should not have claimed 30 acres in the same quarter quarter section. I intended to ^{file} my claims on only the number of acres that I actually own in that quarter-quarter section. This applies to all storage water and natural flow rights.

To the best of my knowledge, none of the water rights that I claimed have ever been belived to the lands now owned by Mr Douglas Manchester.

RE: Notice of Change of Water Right Ownership No. 78-04314

Dear Property Owner(s):

Enclosed is a copy of your Notice of Change of Water Right Ownership form that you recently submitted to our office. However, we cannot continue to process the ownership change without **proof of ownership**. This proof can be a copy of a warranty deed(s), sales contract or tax assessment in your name(s) which includes the legal description of the property by ¼ ¼, Section, Township and Range.

Please submit a copy of your proof of ownership, and we will be able to complete the ownership change.

Thank you for your patience and cooperation, as we have had several ownership changes to process. Feel free to contact our office if you have any questions concerning this letter.

Sincerely,
