DECREE

That R. F. Buller and Rosa B. Buller are entitled to 400 inches of water in their swamp ditch, as of a prior and exclusive right, so long as they maintain their said swamp ditch, and continue to develop that amount of water therein.

R. F. and Rosa B. Buller, July 1st, 1904, swamp on lands. 400 inches

Findings

That the defendants R. F. Buller and Rosa B. Buller, for the purpose of irrigating certain lands belonging to them in Sections 30 and 31, T. 1N, R. 19 E., and in Section 8, T. 1S., R. 19 E., and for the purpose of draining certain portions of their said lands, constructed a certain ditch known as the swamp ditch, in the year 1904, and thereby developed and put to a benificial use 400 inches of water, and first applied said water to said lands on July 1st, 1904.

Conclusions of Law.

That the defendants, R. F. Buller and Rosa B. Buller, are entitled to the exclusive use of the 400 inches of water developed by them from the said swamps described in the findings.

32-0118

Summary of R. F. & Rosa B. Buller decree.

DECREE

That R. F. and Rosa B. Buller are entitled to 400 inches of water in their swamp ditch, as of a priority and exclusive right, so long as they maintain their said swamp ditch, and continue to develop that amount of water therein.

Land drained.

W½ SW¼ Sec. 17, SE¼ Sec. 18, NE¼ Sec. 18, T. 18, R. 19E.

Land to be irrigated.

SE¼ SE¼ Sec. 19, SW¼ SW¼ Sec. 20, W½ NW¼ Sec. 29, SE¼ NW¼ Sec. 29, NE¼ SW¼ Sec. 29, NE¼ SE¼ Sec. 28, SW¼ NW¼, NW¼ SW¼ Sec. 27, T. 18, R. 19E

REMARKS

In his testimony, Mr. Buller stated as follows"At the time it gets down (refering to the water in ditch) to the SE corner of the NE¼ of SW¼ Sec. 29 at least 2/3 of it is lost by seepage".

"Where ditch runs through NW¼ of SW¼ and SW¼ NW¼ Sec. 30 the ground is low and the current is sluggish, seeps right out of ditch into channel of Creek"

" In the E½ Sec. 29, NW¼ Sec. 28, there is another swamp and a very considerable stream of water ran down to a point close to the NW corner of Sec. 28 and then it spread its self over an area of about 200 acres of land"

EXHIBIT 1

No. 107407

EASEMENT AND OPTION TO PURCHASE

DEAN R. ROGERS ET UX TO EARL W. HUTCHISON ET UX

This easement made and entered into at Gooding, Idaho this 31st day of October, 1955 by and between DEAN R. ROGERS and FLORENCE E. ROGERS, husband and wife, parties of the first part and EARL W. HUTCHISON and MYRTLE HUTCHISON, husband and wife, parties of the second part, WITNESSETH:

WHEREAS the parties of the first part are the owners of certain lands situate in Blaine County, State of Idaho, more particularly described as follows, to-wit:

[redacted] Section 18, Township 1 South, Range 19, E.B.M.

and

WHEREAS the parties of the second part are the owners of certain lands situate in Blaine County, State of Idaho, more particularly described as follows, to-wit:

Southeast Quarter of the Southeast Quarter ($SE\frac{1}{4}SE\frac{1}{4}$), Section 19, West Half of the Northwest ($W\frac{1}{2}NW\frac{1}{4}$) and Northwest Quarter of the Southwest Quarter, ($NW\frac{1}{4}SW\frac{1}{4}$), Section 29 and the East Half of the Northeast Quarter ($E\frac{1}{2}NE\frac{1}{4}$), Section 30, all in township 1 South Range 19 E.B.M. and

WHEREAS the parties of the first part desire to grant unto the parties of the second part the right to use the spring water developed by the parties of the second part on the lands first above described and the right and privilege of conveying the water so developed from said lands across other lands owned by the parties of the first part to the lands second above described, so that the parties of the second part may enjoy the use of such water from said spring.

Now therefore, in consideration of the premises and other good and valuable consideration the parties of the first part do grant, bargain and sell unto the parties of the second part their heirs and assigns an easement and right of way, and privilege to draw and use from that certain spring situate on the first above described property and more particularly described as a spring located 600 feet East of the Southwest (SW¼) corner of the Southeast Quarter of the Northeast Quarter (SE¼NE¼), Section 18, Township 1 South, Range 19 E.B.M. together with all water developed therefrom with the right to the parties of the second part their heirs and assigns of ingress and egress over and on the lands of the parties of the first part for the purpose of maintaining said spring and the ditch carrying the water from said spring to the lands second above described.

The parties of the second part by the acceptance of this easement do grant and convey to the parties of the first part the exclusive right and option if excercised on or before June 1, 1965 (10 years after the development of the above described spring) to purchase the above described spring and the water right developed thereby approximating 250 miner's inches for the total sum of $1605.00 in cash. In the event said option is excercised by the parties of the first part, the parties of the second part agree to immediately initiate and carry to completion an application for the transfer of said water right from the lands second above described to lands owned by the parties of the first part. Said option shall be exercised by the

[illegible] owners names for the total sum of $1805.00 in cash. In the event said option is excercised by the parties of the first part, the parties of the second part agree to immediately initiate and carry to completion an application for the transfer of said water right from the lands second above described to lands owned by the parties of the first part. Said option shall be excercised by the parties of the first part notifying the parties of the second part of their intention to do so and by delivering to the First Security Bank, Hailey, Idaho said sum of $1805.00 with instructions to said bank to deliver the same to the parties of the second part on notification that the transfer of water and place of use has been approved by the Department of Reclamation.

GIVEN UNDER OUR HANDS the day and year first above written.

1. Remains of the original head gate

2. The old original buller ditch

3a. Buller ditch - board shows how shallow

3b. Buller ditch - board shows how shallow

3c. Buller ditch - board shows how shallow

4. Buller ditch South of the Hwy

5. Buller ditch

6. Buller ditch looking North, South of the Hwy

7. Buller ditch - original head gate

8. Rogers current ditch

9. Rogers ditch North of Hwy

10. Rogers ditch - water spills through pipe and cannot be diverted to land

11. Rogers ditch - North - Settling pond, but cannot divert water to land

12. Rogers ditch - North - Settling pond, but cannot divert water to land

13. Rogers ditch - North - Settling pond, but cannot divert water to land

14. Rogers ditch - head of the pipeline - water going into the cement pipeline - Note erosion

15. Rogers ditch - Going west - Stevenson on well discharge site - Note, low check, erosion on the banks

16. Rogers ditch - Note, stagnant water & erosion on the sides

17. Rogers ditch - Another check point - Notice erosion. Without these checks, there would be no water to water the cattle in early spring and late fall.

18. Rogers ditch - Another check point - Notice erosion. Without these checks, there would be no water to water the cattle in early spring and late fall.

19. Rogers ditch - Diversion - Note erosion on both sides & how the water is on both sides

20. Rogers ditch - another cross check - cannot be diverted out, notice erosion on both sides

21. Rogers ditch - another cross check - cannot be diverted out, notice erosion on both sides

22. Rogers ditch - another cross check - cannot be diverted out, notice erosion on both sides

23. Rogers ditch - Further looking North - stagnant water that cannot be diverted out

24. Rogers ditch - Looking South - stagnant water that cannot be diverted out. Dry other than a little dab of water. Note, no running water.

25. Ditch, that was the result from the Agreement filed by Earl Hutchinson. Water has not been in this ditch since about 1983, to the best of Mr. Rogers recollection.
