Re: Sub-case 75-10130

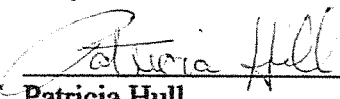

We respectfully request the Court to set aside the partial decree for domestic water right 75-10130. The reason is that the point of diversion and place of use for that water right are incorrect and need to be corrected before final adjudication.

We purchased the property from Jared and Miriam Ferrell in 2003. The domestic water right (75-10130) was transferred to us at the time of the sale. However, when the Farrell's originally received the partial decree for 75-10130 in 1989, the place of use and point of diversion were placed in the wrong ¼ Section. A letter of explanation from the Farrell's is attached to this request.

Sincerely;

Daryl Hull

To Whom it May Concern :

In 1989 we applied for and received a partial decree for a domestic water right (75-10130) for property that we owned at 15 Blaze Tree Trail, North Fork, ID. At that time, the place of use and point of diversion were placed in the wrong $\frac{1}{4}$ section.

In 2003, we sold the property, along with all of the water rights for the property, to Daryl and Patricia Hull. It should be noted that it was then and remains our intent that the point of diversion and place of use for domestic water right 75-10130 is on the Hull property located at 15 Blaze Tree Trail.

Sincerely;
