Dear Madam or Sir:

Kimberly-Clark Corporation is the owner and holder of the above-referenced Water Rights. We are enclosing herewith the following items in connection with the Water Rights:

1. Notice of Claim to a Water Right for IDWR Water Right Number 92-4010. We are enclosing two copies. We would appreciate it if you would file one copy and stamp the other as a conformed copy and return to us. This Water Right claim is for fire protection, and it is our understanding that there is no applicable filing fee. If this is incorrect please let us know.
2. Notice of Claim to a Water Right for IDWR Water Right Number 92-4112. We are enclosing two copies. We would appreciate it if you would file one copy and stamp the other as a conformed copy and return to us. This Water Right claim is for domestic use and it is our understanding that the applicable filing fee is \$25. We are enclosing a check in this amount, but if this is not the correct amount please let us know.
3. Notice of Change in Water Right Ownership covering both of the above mentioned Water Rights. We are enclosing two copies. We would appreciate it if you would file one copy and stamp the other as a conformed copy and return to us. It is our understanding that there is no filing fee for this since we are simultaneously filing the Notice of Claims and paying the applicable fees thereunder. If this is not correct please let us know.
4. Title Ownership Certification. This is the document evidencing the vesting of title to the applicable property into Kimberly-Clark Corporation and is delivered in support of the Notice of Change in Water Right Ownership referenced above. A legal description of the applicable property is included in this instrument. We will be separately recording another original of this instrument in the real property records of Benewah County.
