COMES NOW, the Shoshone-Bannock Tribes ("Tribes") by and through their attorney, Jeanette Wolfley, and withdraw their Place of Use objections to the water right subcases above listed. On June 2, 2011, the Tribes received and reviewed the Idaho Department of Water Resources updated digital maps showing that the lands or place of use claimed by the Little Butte Irrigation Company no longer include Tribally owned lands within the Fort Hall Reservation. We have determined the objections can be withdrawn with prejudice for water right nos. 27-00038; 27-00039; 27-00040; 27-00041; and 27-10878.
