RE: Adjudication Claim No. 95-12464

Dear Wade Family:

The Idaho Department of Water Resources is currently reviewing the claim referenced above. The claim that you filed cannot be recommended as filed. The water right that you filed the claim on has been claimed by the family of the original owner and the current land owner. If you feel that this is incorrect please provide evidence that you are the current owners of the Brooke's property. In order to recommend your claim that you have filed if you are not the current owner of the Brooke's property, I will need some form of evidence of when the water was first put to use on your property. If no evidence is provided by you, your claim will be recommended as disallowed.

If you do not have any water use on your property you do not have to file a Notice of Claim and may withdraw the claim and request a refund of the filing fee.

Please reference Adjudication Claim No. 95-12464 with any reply.

If you have any questions, please call me at 208-762-2800.

Sincerely,

Chad H. Goodwin  
Senior Water Resources Agent
