 STATE OF IDAHO, IN AND FOR THE COUNTY OF TWIN FALLS

	)	AFFIDAVIT OF LARRY LEE
_____	)	

1. My name is Larry Lee.
2. I own the following water rights: 31-7166B, 31-7166C, 31-7166D, and 31-7166E.
3. These water rights have a priority date of June 27, 1975.
4. I filed an application for a Desert Entry to farm the ground which is irrigated with the
 afore mentioned water rights in either 1971 or 1972. I later filed an application under the Carey
 Act in 1975.
5. I filed for a water right with the Idaho Department of Water Resources in 1975
 because it was necessary to have a water right for the Carey Act Application.
6. The Carey Act application was initially successful, but was then delayed by the BLM
 due to the water issues which were later addressed by the Swan Falls Agreement.

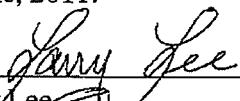

7. When the Carey Act application was stalled, I again pursued my application for Desert Entry.

8. By 1976, I was ready to begin development on the Desert Entry ground, and had done everything in my power to do so. However, due to several different delays caused by the BLM and issues leading up to the Swan Falls Agreement, I was unable to develop the land in 1976, despite the fact that I was ready to do so.

9. When it became apparent that state-wide water issues existed, (which problems would later be addressed by the Swan Falls Agreement,) the BLM would not allow me to develop the land until those issues had been resolved. It is for this reason only that I was unable to develop the land until 1988.

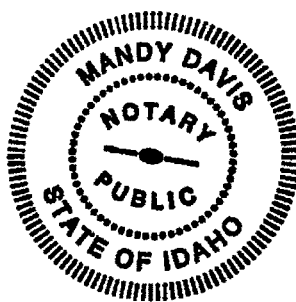

10. I was ready and willing to put the water of the aforementioned rights to beneficial use, and the only reason I did not was the reason listed in counts 8 and 9.

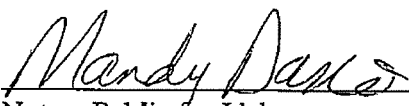

DATED this 15th day of June, 2011.

Larry Lee
