	)	AFFIDAVIT OF LEWIS NEWMAN

_____	)	

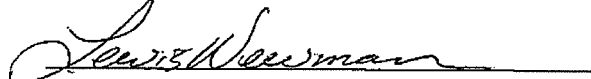

1. My name is Lewis Newman.
2. I am a partner in L2 Limited Partnership, which is the entity that owns the ground to which 32-7264 was originally appurtenant. This ground was originally irrigated by water right 32-7101A.
3. In 1988, my father, Lavar Newman, purchased this property after it had been sold at a Sheriff's sale.
4. Prior to 1988, this land was owned by Kenneth Tuckett, who was also my next door neighbor when I grew up.
5. I am familiar with the use of this water right on Mr. Tuckett's land because my father owned farm ground near Mr. Tuckett's farm.

6. I was in high school between the years of 1980 and 1984. I worked for my dad on his farm throughout the years I attended high school.

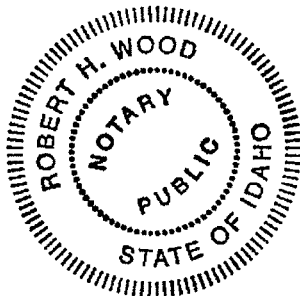

7. I remember seeing Mr. Tuckett irrigate the original parcel of ground when I worked on my father's farm during my high school years. I remember seeing wheel-lines on the property that were used to irrigate the crops.

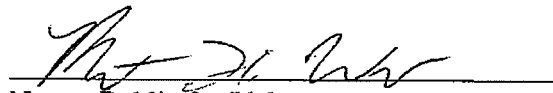

8. In 1998, ten years after my father purchased the Tuckett property, the L2 Limited Partnership placed pivots on that parcel of ground. We then dried up the corners and transferred water right 32-7264 to its current location. Keith Wilson, who at that time was an employee of the Idaho Department of Water Resources, was the water rights specialist who helped us in that transfer.
