RE: Adjudication Claim No. 95-783

Dear Richard Ristau:

The Idaho Department of Water Resources is currently reviewing the claim referenced above. The claim that you filed cannot be recommended as filed without correcting it to match the original decreed water right. An amended claim is attached to match the original water right. If everything looks correct please sign and return it with the enclosed envelope. Without this amended claim your current claim will be recommended as disallowed.

There is no filing fee for your amended claim.

Please reference Adjudication Claim No. 95-783 with any reply.

If you have any questions, please call me at 208-762-2800.

Sincerely,
