

I Stuart Dohman is writing this
affidavit to comfort the concerns
of people who want a record in
writing as to the approximate
date their well was checked,
my well & there's were all
drilled in about 1966 to my
knowledge

I called St Maries and talked to a
woman named Karen at the assessors
office. My house was built in 1946 and
the dug well was dug for household use
at that time
