We are returning your Notice of Claim. There is a \$25 filing fee for the claim. You list the date of priority as 1987 and you mention that the well was drilled by Coeur d'Alene Drilling. You sent the drilling report for the replacement well. Do you have something from Coeur d'Alene Drilling? If so, would you please send us a copy of it along with the claim form and the \$25 fee?

Thank you,

Kenneth Knoblock
Water Resources Supervisor

Kenneth -

Excuse me for forgetting the check.

We looked for our records on the 1987 well & have not found anything yet - but we will keep looking.

There are two well heads on the lot.
