Re... A78-04288, A78-04314A, A78-02030A

To the Idaho Department of Water Resources

I recently received two "Notice of Change of Water Right Ownership" forms from the attorneys for Douglas F. Manchester. They state that they had a closing date of 12/21/92 on a parcel of land in the SE $\frac{1}{4}$ SW $\frac{1}{4}$ section one, T. 19N R. 1E. My Father sold the above described parcel along with other land to Simco Lands in August of 1981. I do still own adjacent lands that I have filed SRBA claims on. He states that he owns sixteen acres in this legal description. If that is the case, I should not have claimed 30 acres in the same quarter-quarter section. I intended to ^{file} my claims on only the number of acres that I actually own in that quarter-quarter section. This applies to all storage water and natural flow right. To the best of my knowledge, none of the water rights that I claimed have ever been believed to the lands now owned by Mr Douglas Manchester.
