RE: Snake River Basin Adjudication (SRBA) Claim No. 78-12279

Dear Tim:

Enclosed is a draft SRBA Notice of Claim to a Water Right for the use of floodwater from Goose Creek on your property in the New Meadows area. Please review the claim for accuracy, and if it reflects what you wish to claim, please sign the claim before a notary public and return it with the \$50.00 filing fee using the enclosed pre-addressed envelope.

I have also enclosed your copy of amended claim 78-10073 for the use of waste water. As we discussed at our meeting last Friday, this claim needs to have the evidence of the priority date and documentation of the historic use of the water submitted before a water right can be recommended to the SRBA Court.

If you have any questions, the direct phone line to my desk is (208) 287-4917, or you may send email to Carter.Fritschle@idwr.idaho.gov.

Sincerely,

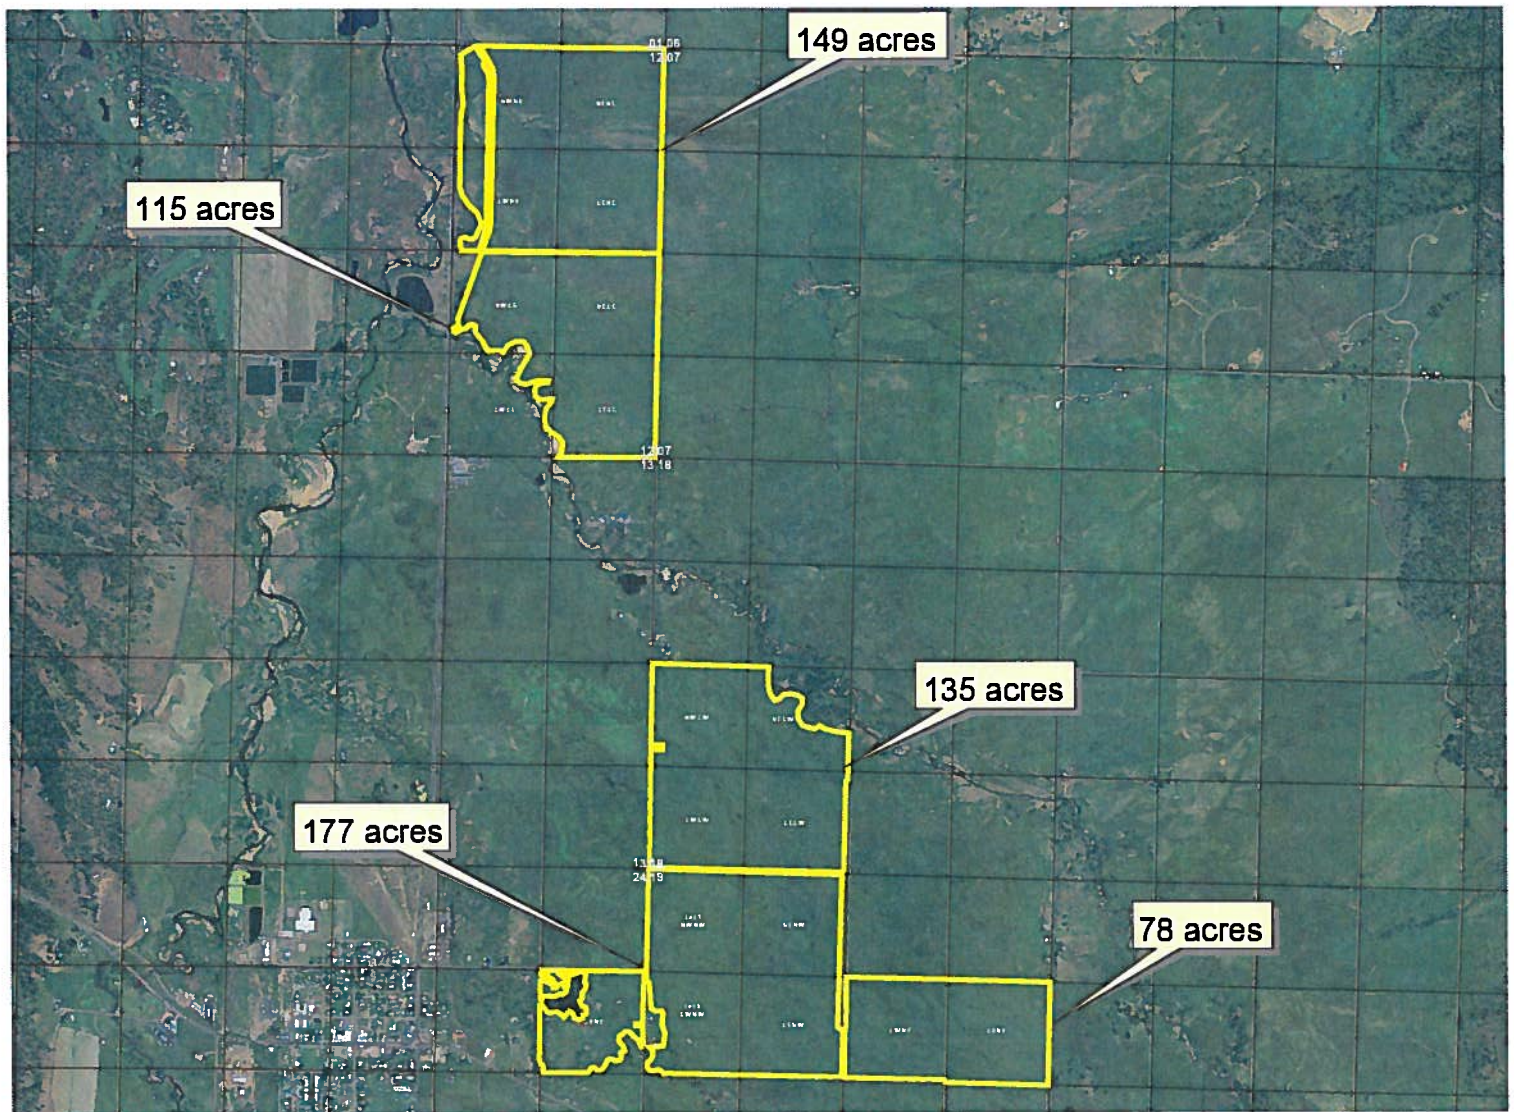

A handwritten signature in black ink, reading 'Carter Fritschle', with a long, sweeping horizontal line extending to the right.
