Dear Mr. Ferguson:

We are returning your Notice of Claim to a water right. The amount of water in item #6 needs to be listed. Most claimants list 0.04 cfs for domestic.

We assume that the legal description for the place of use in item #9 is the same as the point of diversion. Please fill out item #9.

The date of priority is listed as March 31, 1958. Do you have a document that lists this date? If so, would you please send a copy of it?

Thank you.

Sincerely,
