**State of Idaho
Department of Water Resources**

To Whom It May Concern:

The Lydia M. Wagner Testamentary Trust includes two pieces of land in Benewah County, Idaho. The parcel numbers are:

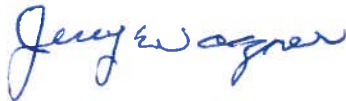

RP44N06W247000A

&

RP44N06W250600A

There is a drilled well on this property with a hand operated pump. This well was drilled during the summer of 1952. My father and his brothers built and operated their own well drill as a side business along with farming. I helped my father and Uncle Theodore with the well and the pump installation. I was 13 years old at that time. I am now a trustee for the Lydia M. Wagner Trust and farm the property. The pump still works and we use the water when needed.

Respectfully yours,

Jerry Wagner
