SF-5 POUs are in quarter quarters surrounded with dashed lines and have POU acres in them.

SWSW S10 is not described in the SF-5, and yet is included in IDWR's Rec POU data (shapefile). The written description and shapefile should be consistent.

The IDWR Field Report map is shown in the yellow shaded areas

37-07707

In regard to NENE & SENE S16, the field report map for license approval, original Director's Report, SF-5, and SMRR all contain POUs within them, perhaps the IDWR's Rec POU shapefile should be updated to include them.

The pink line is IDWR's Rec POU Shapefile.
