RE: 78-10365

Dear Mr. & Mrs. Moulton:

When you filed a change of ownership of water right number 78-7255 I assume you meant to include water right 78-10365 for domestic use from a 26' well. Would you please confirm that assumption is correct?

Sincerely,

A handwritten signature in black ink, appearing to read 'Knoblock', written over a horizontal line.

Please see the following notes & maps. (T24N, R1E, BM - Sec 17)

Moultons (the one in blue on the map) would like to do a name change on their well water rights/claim. There are two Water right numbers that have the same priority date of 12/27/72 that may or may not be the same well.

Moultons well is on their property and there is only one well there. (A78-10365 & A78-07035) They need to know which water right number is the correct one to for them to use for the name change.

Also - there is another well that I can not find any water right numbers on (the one in red on the map). The well is located on property now belonging to Amell. It is currently a shared 50% - Amell /50% Hollon. Amell's property is unimproved (no home) so Hollon is the only one actually using the well at this time. I believe that both Amell and Hollon purchased their parcels from Taylor and ~~there~~ is a possibility that #A78-07035 is the correct # for this Amell/Hollon well - but the point of diversion should be NESW sec 17 instead of NWSE sec 17.

Please compare with your maps etc... to see - and call or fax back info to me.

- 1) Which # is Moultons well?
- 2) Has the Taylor to Amell/Hollon ever been filed on and by who?

Please call me if you need further explanation or info.

Thank You,

Vickie S. Heath

Dear Mr. & Mrs. Terletter:

Enclosed is a copy of claim #A78-10365 for your records.

Your original filing claimed water right #A78-07035 as a permit for your well. Permit #A78-07035 belongs to a well that was drilled for Hazel Taylor by Donald Comstock in lieu of payment for the property sold to him by Taylor. At that time, a formal written agreement was initiated between Comstock and Taylor, giving Taylor exclusive rights to the well. At a later time, Comstock drilled a well for his use near the well drilled for Taylor.

Claim #A78-10365 has been issued to you for the well that Comstock drilled for his use. Please dispose of the copy of the claim you have for #A78-07035.

If you have any questions, feel free to contact myself or this department.

Sincerely,
