IDWR/NORTHERN

Hi Shawn,

I had the former owner (Ron Hazard)
mark the location of the spring. I've enclosed
a copy of the Warranty deed and filled out
the form (to the best of my ability).
The spring will continue to be used for
domestic purposes as well as support a
garden and several horses. Thank you
for your help on the phone. I hope I am
providing you with all you need,
if not, please phrase me.

Thanks again,

Butler
