Subcase Nos: 27-00004F, 27-00016A, 27-00025A and 27-00037C

ORDER OF REFERENCE
APPOINTING BRIGETTE BILYEU
AS SPECIAL MASTER

Partial Decrees for water rights 27-00016A, 27-00037C and 27-00004F were issued on June 1, 2011. A *Partial Decree* for water right 27-00025A was issued on September 29, 2010. On August 8, 2011, the Clerk of the Court received correspondence from the Idaho Department of Water Resources, notifying the Court that the *Partial Decrees* for the above-captioned water rights contain errors in describing the point of diversion element. The Department requests that the *Partial Decrees* for the above-captioned water rights be set aside and that *Amended Partial Decrees* be issued for the rights correcting the above-mentioned error pursuant to Idaho Rule of Civil Procedure 60(a). It is the Court's understanding that the above-captioned water rights are related to certain other Basin 27 water rights presently pending before Special Master Brigitte Bilyeu, which allegedly have the same point of diversion error. Therefore, this Court finds that this matter should be referred to Special Master Brigitte Bilyeu for further proceedings.

Therefore, IT IS HEREBY ORDERED that this matter is referred to Special Master Brigitte Bilyeu to preside over the *Rule 60(a) Motion for Relief* and to conduct all proceedings necessary to issue a recommendation, consistent with *Administrative Order 1 ("AOI")*, as to whether the *Motion* should be granted pursuant to *AOI § 14d* and Idaho Rule of Civil Procedure 60(a).
