Dear Mr. Williams:

We have receipted your check #2403 for \$77.00 and have accepted your claim for domestic use. We have, however, found a couple of minor problems with the claim form for irrigation, which we are returning.

On the second page at Item #8, you have neglected to fill out the consumptive use which you are claiming for this water right. At Item #13 you have not told us if there are any other water rights which might be appurtenant to the property where you are claiming water rights. If there are other water rights which you are aware of, please list them here.

I have enclosed a new set of instructions for this form which should answer your questions. If we can be of any further help, please do not hesitate to contact this office.

Yours Truly,

Donald V. Shaff
