Clerk

Deputy Clerk

Pursuant to Judge Eric Wildman's *Order Granting Late Notice of Claim: Order for Expedited Late Claim Director's Report and Setting Forth Procedures and Deadlines for Expedited Process* issued on August 17, 2011, the Director of the Idaho Department of Water Resources (IDWR) has filed with the Snake River Basin Adjudication (SRBA) District Court the Director's Report of Late Claim 29-14000 claimed by the Rowland's, Inc. In order to facilitate resolution of water rights related to late claim 29-14000, the Director is reporting these late claims in advance of the Director's Report of Late Claims and Miscellaneous Claims normally filed with the court each spring and fall. The Director's Report of Late Claim 29-14000 contains the Director's recommendations to the SRBA Court as to how your claimed water right should be decreed in the SRBA.

Why am I getting this mailing?

You have received this mailing because you filed late claim 29-14000 in the SRBA. This mailing contains only the Director's recommendations to the SRBA Court of your claim numbers 29-14000. Your mailing **does not** contain the Director's recommendations of any claims other than your own. Related water rights were originally reported to the Court in the Director's Report, Basin 29, for Irrigation and Other Uses which was filed with the SRBA Court on July 10, 2003. Copies of the report can be made, but you may be charged for copying and mailing. Maps of these reporting areas, as well as other information pertaining to the SRBA can be accessed on the internet at: <http://www.idwr.idaho.gov/water/srba/mainpage/>.

You may need to review subsequent Late Claims Director's Reports as claims in which you have an interest may be reported in them. You will not receive notice of future Director's Reports as they are filed with the SRBA Court unless you have water right claims that are reported in them. Therefore, if you are interested in the status of other water rights belonging to other people that have not yet been recommended by IDWR, you should check in periodically with the Court's docket sheet or the internet web page about the schedule for filing future reports. The Court's internet web page can be found at: <http://www.srba.state.id.us>. Information about subscribing to the court's docket sheet is provided on page three of this notice.

INSTRUCTIONS FOR REVIEWING YOUR OWN WATER RIGHT

The description of your rights, which are enclosed, are only the Director's *recommendations* to the SRBA Court on your water rights. The Court will decide how it will decree your water rights. You are free to agree or disagree with the Director's recommendations. If you agree with the Director's recommendations you do not need to do anything, pending further notice as described below. If you disagree with the Director's recommendations, you need to file objections as described below.

What happens if there are no objections to my water right?

After the deadline for filing objections and responses, the SRBA Court will hear the uncontested recommendation on **November 15, 2011, at 2:30 p.m.** at the SRBA courthouse. A Partial decree will be issued following this hearing.

How will I know about the proceedings on water right recommendations to which objections were filed?

A notice will be mailed to you for court dates on your water right or for those where you filed an objection or a response. You will not receive notice of court dates on any other water right recommendations.

Additional information regarding water right claims can be found on the SRBA Court's web site at: <http://www.srba.state.id.us>.

Note: The SRBA Court publishes a monthly Docket Sheet listing all objections and responses filed, as well as when Director's Reports are filed. It does not list court dates for individual water right cases, but provides general information helpful to all participants in the SRBA.

The Docket Sheet is available at your county courthouse and all IDWR offices, or you may subscribe by contacting the SRBA Court or IDWR. The annual subscription fee is \$7.50. The Docket Sheet is also available on the SRBA web site at: <http://www.srba.state.id.us>.

IMPORTANT INFORMATION REGARDING GENERAL PROVISIONS

General provisions are those parts of the SRBA Court's decree that apply to all the water rights in a basin, or to classes of similarly situated water rights within a basin. IDWR recommends to the SRBA Court the general provisions it believes should be decreed in a basin when it files with the court its Director's Report for the basin. At that time, any party may object to the recommended general provisions.

The Director in his previous Director's Reports for irrigation and other water rights in the basins included in this Late Claim Director's Report, has already recommended the general provisions for the above-listed basins. The objection period for the general provisions in the above-listed basins has expired. Therefore, it is too late for you to object to the general provisions governing your late claim. You may obtain a copy of the General Provisions for your basin from the SRBA District Court in Twin Falls or at the courthouse location nearest to your basin. You may be charged for copying and mailing. You may also view the General Provisions for every basin within the SRBA by going to IDWR's website at: <http://www.idwr.idaho.gov>. It is possible that in the future the SRBA Court will entertain recommendations for additional general provisions. Should that occur, an opportunity to object to those additional general provisions will be provided. It is your responsibility to monitor the SRBA case through the Docket Sheet discussed above.

CHANGES OF ADDRESS OR OWNERSHIP DURING THE SRBA COURT CASE

You must contact your regional IDWR office with your address change or if the ownership of your water right changes. Failure to notify IDWR may result in the loss of your water rights.

ADDITIONAL INFORMATION

If you have questions about the SRBA, public information brochures are available at any IDWR office. Maps and aerial photography of this reporting area, as well as assistance in using the maps and the photography, are available at the IDWR Regional office nearest to the location of your water right. You are also welcome to call IDWR at any of its offices or the SRBA Court. You may also want to consider contacting an attorney to assist you.
