Blackfoot, ID 83221

RE: SRBA Subcase Nos. 27-12A & 27-11997 (Coffman)

Dear Mr. & Mrs. Coffman:

I am enclosing a Standard Form 5 ("SF5") for each of the above-referenced water rights. The SF5 is the document required by the SRBA Court to resolve water right disputes. The changes to the water right recommendations contained within the SF5s are based on Mr. Coffman's previous meeting with Michael Holliday, Water Rights Supervisor at the Idaho Department of Water Resources' regional office in Idaho Falls.

If the SF5s are acceptable, please sign on the indicated signature lines, initial the revised recommendations and return the original SF5s to me in the self-addressed stamped envelope that I have enclosed for your convenience.

If you should have any questions concerning the changes to the water right recommendations, please feel free to contact Michael Holliday at 525-7161.

Sincerely,

A handwritten signature in cursive script that reads 'Ray Williams'.

Ray Williams
Paralegal

In Re SRBA

Subcase No. 27-12A

Case No. 39576

STANDARD FORM 5

STIPULATED ELEMENTS OF A
WATER RIGHT

This form is used to report the stipulated elements of one water right acquired under state law and/or one federal reserved water right. Submission of this form will not automatically result in the issuance of a partial decree. The Presiding Judge or Special Master will conduct any hearing necessary to determine whether the facts, data, expert opinions and law support the issuance of a partial decree for the water right.

The parties agree that the Snake River Basin Adjudication Court has jurisdiction of the parties and subject matter to enter a partial decree for this water right; that they have been served with sufficient process, according to the law; and that they have appeared, prosecuted, and defended their positions with regard to this water right dispute.

The parties and IDWR agree and stipulate that the elements of this water right should be described as per the attached. The parties and IDWR have further indicated their concurrence by initialing each of the attached pages.
