Gentlemen:

We are enclosing with this letter for filing in the SRBA, on behalf of Crater Farms, six Amended Notices of Claim, together with a new claim. The new claim represents an expanded use of water under Idaho Code §42-1416(2). As nearly as we can calculate, the place of use for these water rights includes 323 acres for which a variable fee was not previously paid. We have, therefore, enclosed our check in the amount of \$423.00 which represents a \$50.00 flat fee, a \$50.00 late fee, and an extra dollar per acre for 323 acres.

Thank you for your kind attention to this matter.

Yours very truly,

Kent W. Foster
