RE: 75-14029

Special Master Terrance A. Dolan,

Your recent 2nd ***SPECIAL MASTER REPORT AND RECOMMENDATION*** issued 9/30/2011 (R&R) for water right 75-14029 contains a clerical error. The **quantity** of water agreed to by the parties involved for this water right was **0.055cfs** (see *MOTION TO SET ASIDE PARTIAL DECREES, EXHIBIT C*), **not 0.038cfs** as indicated in the R&R.

Sheryl and I request that the Special Master take the necessary steps to correct the error.

Respectfully,

Lloyd and Sheryl Tutor
