1. Describe the portion of the proposed recommendation with which you disagree (e.g. priority date, period of use, source):

2 - The date of priority is Jan 16, 1913 - The old 1913 well totally failed and a new well was drilled June, 1997 - 6 inch casing - 166 ft deep - The new well replaces the old Jan 1913 well, so go to the Jan 16, 1913 date -

2. Describe the changes you wish to make in the proposed recommendation:

2 - The new well receives the Jan 16, 1913 priority date - (The new well is behind the new house, and your map diversion point is not quite correct -

3. Give a brief explanation as to why you disagree with these portions:

2 - The priority date of April 1, 1983 is totally incorrect for this. As far as I can see this April 1983 date has no bearing on either of our wells.

I AGREE with this proposed recommendation: no changes need to be made.

Dear Sirs,

In regards to your letter of July 22, 1992 regarding SRBA - Claim # A63-08193.

If you will refer to your Computer File on Claim # A63-08193 you will find that it has been properly filled out by us with the help of your Claim Agent Ron Howerton on Feb 26, 1990, and a question clarified on July 30, 1990.

The (2) Claim papers, you enclosed with your letter on July 22, 1992, made out and signed by James Cleverdon (Jan 26, 1990) were the second attempt to try and figure out this adjudication business and sign up.

James first attempt was 6-8-1989.

James was not familiar with the procedure (most of us were not).

Myself and Margie Cleverdon went to the Airport Office and Agent Ron Howerton helped us make out the claim papers properly.

We have paid the fees required.

I am sure you will find that these (2) Claim papers sent in by James (Jan 26, 1990) are superseded by the Computer File Forms

②

which were made out properly, and checked, with the help of your Claims Agent on Feb 26, 1990 - July 30, 1990.

We were given Computer Copies of these Claim papers at that time for our records.

If you have any further questions please let us know and we will be glad to try and be of further help.

Dear Mr. Cleverdon,

We are returning two Notices of Claim to a Water Right filed for your property in Canyon County. We have noted a problem with your claims which requires clarification.

In 1989, a claim for irrigation was filed with our Department, based on licensed right 63-08193. This claim could easily be amended to represent a domestic use. The two claims we have returned seem to duplicate one another and the claim previously filed. Which of these claims is correct?

Please contact this office by August 22, 1992 to discuss the status of these claims. If we do not hear from you by that date, we will assume you do not wish to continue the filing process and will begin the refund process of your filing fees. Do not hesitate to contact this office if you have any questions.

RE: Adjudications Correspondence

On January 11, 1990, I informed you of problems in the documentation of your Adjudication Claims, (see attached). These problems included claim to an improper expansion of your existing water right license, and both contradictory and redundant information on two separate Notices of Claims to Water Rights. Because of the numerous inconsistencies in your claims I requested that you or your legal representative establish an appointment with me such that we could rectify the situation. You have, to date, not responded.

Unless, we receive adequate response to our queries prior to August 26, 1990, your claim will be rejected in whole. Your claims work will be returned to you, a refund of your fees will be instigated, and late fees will apply to any future attempts to file. Failure to file claims with the Fifth District Court on those water rights mandated by law to be filed may result in the water right's disallowal by the court and therefore considered abandoned.

To establish an appointment with an agent, please contact this office.

Bruce A. Schuld

RE: A63-08193 and Beneficial Use Claim

Enclosed is your receipt #W003239 for \$91.00. During the review of your claims, we have noted some items which are inconsistent with your original License #63-08193. Among these inconsistencies is the claim of additional house holds, and an increase in total water appropriated which far exceeds that to which you hold license.

Rather than confuse the issues in this letter, I would like you or your legal representative to set up an appointment with me at a time which is convenient for you. I should only take an hour or so of your time, and any of the agents or I can help you straighten out this matter.

If you have any questions or concerns, please do not hesitate to contact me personally.

Sincerely,

Bruce A. Schuld
